

2.1 Integrated Management System (IMS) Policy Statement

Birdon's Integrated Management System (IMS) is designed to meet the requirements of the following standards:

- AS/NZS 4801:2001 Occupational Health and Safety Management Systems;
- AS/NZS ISO 9001:2015 Quality Management Systems;
- AS/NZS ISO 14001:2015 Environmental Management Systems; and
- AS/NZS ISO 31000:2009 Risk Management.

To achieve this we shall:

- comply with current legislation, and applicable health, safety & environment regulatory controls;
- monitor and improve customer service by seeking feedback from customers;
- set and review objectives and targets through consultation and communication at all levels;
- conduct operations in a manner that prevents pollution; and
- continually identify, measure, mitigate & evaluate the effectiveness of company controlled risks.

The Senior Management Team is fully committed and shall support a process of continual improvement within all areas of the Integrated Management System through annual review.
